

Progression Framework

Know

Develop young people's knowledge and awareness of the benefits of higher education.

Choose

Develop young people's capacity to navigate the higher education sector and make informed choices.

Become

Develop young people's confidence and resilience to negotiate the challenges of university life.

Practice

Develop young people's study skills and capacity for academic attainment.

Understand

Develop young people's understanding by contextualising subject knowledge.

Activities

All sessions are facilitator-led and learner-centred. All sessions are ideal for typical* group sizes and session length. Please feel free to contact the team if you have questions or need further information.

*All sessions can be adapted to meet your needs. Please contact a member of the team to discuss this further.

Personal skills workshops – various activities designed to improve skills such as communication; leadership; teamwork; and confidence.

Broadening horizons workshops to initiate a positive relationship with further and higher education – from year 7 and above.

Assemblies and careers events – look at the career benefits of education and the employment opportunities for graduates

Level 2 (GCSE workshops – revision/planning); aimed at year 9 and above.

Campus visits – we are able to liaise with our partners and create a bespoke campus visit and experience student life.

Student ambassadors – give personalised campus tours, facilitate activities and conduct question and answer sessions.

Level 3 qualification workshops – aimed at year 9 and above (includes BTECS, T Levels, A levels and Access to HE).

Apprenticeship and Degree Apprenticeship workshops.

Independent living and managing money workshops – aimed at year 7 and above.

One to one careers information, advice and guidance sessions that are suitable for year 7 and above.

The journey to further education and higher education sessions – general advice on independent living, finance, accommodation, course options/requirements and student life. Aimed at Year 9 and above.

Level 4+ qualification workshops – course options and requirements.

Community-Led Projects

We are dedicated to supporting our local area in a progressive and sustainable way which is why we offer collaborative support for projects and events that align with our values. We can work with anyone that is offering children and young people the access and experience to appropriate attainment raising interventions. Such as; match-funded SEND projects, events for UASC's, bespoke holiday activities and food programmes, charity NEET projects, sensory garden and summer art projects for NEET's.
